COMPETIZIONE

AT A GLANCE

Embrace a new way of experiencing the road with the Abarth COMPETIZIONE.

ONE step ahead of the rest.

A Scorpion born to elevate emotions on the asphalt with a new stunning color and new configurations.

A Scorpion born to amaze.

PERFORMANCE **CRAFTMANSHIP** **TECHNICAL UPGRADE**

220 BHP ENGINE

RECORD MONZA EXHAUST

KONI SUSPENSION

1.4 TURBO T-JET

Available with 200BHP MT (Abarth 595) or 220BHP MT & AT (Abarth Competizione), the in-line 4-cylinder 1.4L Turbo T-Jet engine gives your performance all the energy it deserves.

The power of Abarth Competizione's engine enhances every second spent aboard and gives a never-experienced fun adding to the 595's ones its exclusive features.

PERFORMANCE **CRAFTMANSHIP** **TECHNICAL UPGRADE**

SABELT SEATS

MATT BLACK DASHBOARD

17" MONTECARLO WHEELS

1.4 TURBO T-JET

The fabric seats give you a sporty feel without sacrificing comfort.

The new dashboard is designed with a deep black shade that strongly enhances every detail and reflects the bold character of the Scorpion.

Modelled on the worlds greatest rally cars, the sharp lines of the 17" Montecarlo Alloy Wheels breathe new life into history.

PERFORMANCE CRAFTSMANSHIP TECHNICAL UPGRADE

BREMBO BRAKES

ALCANTARA STEERING WHEEL

7" INFOTAINMENT SYSTEM

1.4 TURBO T-JET

Abarth has always brought the thrill of the track to the road. That is why the new 595 features Brembo brakes with 4-piston aluminum calipers and oversized discs, based on modern race cars technology.

Design, technology and innovation, words to describe an advanced steering wheel that combines the tactile experience of Alcantara and the performance of carbon fibre.

TAKE A LOOK INSIDE
